First Aid

I was alone and just puttering around the house when Nina, our next door neighbor, called. She seemed excited and asked for my wife. I told her that Betty was out shopping. She hesitated for a few seconds and then asked me if I had any Band-Aids.

I told her I would get the first aid kit and come right over. I grabbed it and raced across the space between our yards. I didn't bother knocking, but barged right in. Nina was sitting on the sofa, with no obvious injuries. She was laughing hysterically. I didn't know what to make of it, so I stood there staring at her until she stopped laughing long enough to explain.

"I'm sorry," she giggled, "you thought I was hurt. The Band Aids are for my costume." Then she was laughing so hard she couldn't continue. I was more confused than ever. She patted the seat beside her and signaled for me to sit down while she caught her breath. "They are for my nipples," she blushed.

"What?" I sputtered, sure that my ears were playing tricks on me. "I'm going braless and if I don't cover my nipples, the little devils will poke out all evening. It embarrasses me to run around with my nipples hard, but I can't help it."

My eyes moved automatically; I couldn't help staring. Both of her nipples were hard and the shirt she was wearing was so thin that I could see the entire pink areolae. Pretty quick, her nipples weren't the only thing that was stiff. My cock was jumping like crazy in my pants.

"I'm sorry," she said as she again blushed and put her hands over her big beautiful boobs. Watching my sexy neighbor holding her boobs only made my dick even harder. My mind told me to run, but my cock said stay. My cock won!

I guess the excitement was getting to her

cum inside

In a recent issue I read a letter that got my attention in a hurry. I too agree with what this guy had to say about porn films. These films of today have to be out of touch with the people that watch them.

In fact the last fuck flick I watched was over a year ago. Why should I waste my time looking at a couple people fucking when I know the guy is going to pull his cock out of the chick and dump his load all over her back or her belly? That was okay for a while, but year after year of seeing the same old tired thing is a bit too much.

My girlfriend is 22. She had never seen a porno before. So there we were,

too. Because before I could escape, she grinned and pulled her hands away from the sweet tits. "You wanna help me put the Band-Aids on?" she whispered.

In my heart, I knew that if I touched her big, soft breasts, I wouldn't stop there, but I was too horny to refuse such a delightful offer. As soon as I nodded my head, Nina gave me a sexy smile and pulled her shirt over her head. Her tits were even bigger than they appeared under the shirt. The nipples were standing tall; each one was the size of the tip of my little finger.

I was too horny for any more games, so I leaned forward and took one of the delicate nubs into my

mouth. She moaned and pulled my head tightly against her chest, stuffing most of the huge boob into my sucking mouth. Then she started coming. I mean a moaning, groaning, back scratching orgasm.

I was flabbergasted and at the same time so excited that I shot off in my pants. When we stopped coming, I was able to realize that I was too close to home to be fooling around. I did apply the Band-Aids to her tits before I left. My reward was a kiss that tickled my tonsils.

"Come again," she purred as she opened the door to let me escape. I promised myself

that it wouldn't happen again. But, I can't stop fantasizing about Nina's hair-trigger tits.

Shy No More

I look forward to every issue of this mag, but not nearly as much as my wife does. Thanks to your magazine, my shy little mate is becoming a steaming sexpot. Strangely enough, she gave it to me as one of my birthday presents.

One boring Saturday afternoon I was sleeping on the sofa and she was sitting in a chair across the room. I guess it was her moaning that woke me up. I opened my eyes and glanced over at my wife. I couldn't believe what was happening. My wife had the front of her pants unbuttoned. Her hand

was down the front to her panties. My innocent little kitten was masturbating in broad daylight right there in the middle of our living room!

I thought I was dreaming. A woman who wouldn't even have sex with the lights on, didn't do things like that, at least not before

she'd read that magazine. But my cock believed it and responded accordingly. It grew instantly to a full-fledged hard on.

I kept my eyelids cracked, not wanting to interrupt her fantasy fuck. By the time she had her first orgasm, the pants were around her ankles and her hips were off of the seat as she rammed a finger rapidly in and out of her excited cunt.

I nearly came in my pants just watch-

sitting on the sofa in front of my large-screen TV. When the film got well under way I already knew the dude would pull out and cum all over the woman's belly.

Sure enough, as the fuck scene unfolded he pulled out and wasted his load all over the woman. My GF looked at me and said, "You've got to be kidding!"

I said, "No, that's the way they make these silly things." After the second fuck scene he pulled out and unloaded all over the girl's ass cheeks, my girlfriend had seen enough.

That was over a year ago. When they start putting the load in the hole for which it was intended we will definitely start watching. So to the guy who wrote that letter, you are not alone in the way you think!

T.C., Highlands, CA

ing the sexy sight. "Wow!" I blurted as she moaned and shook all over. She smiled at me and didn't miss a beat as she continued coming. As soon as she was through, she stepped out of the pants and came over to where I was laying.

"What brought that on?" I asked, kissing her gently on her pouting mouth. She was still trying to catch her breath. "This," she gasped, holding the open magazine under my nose. It was a reader's letter about a guy who liked to wear his wife's panties.

It told in graphic detail how he liked for his wife to jerk him off while the silky material caressed his cock. The story made me even hornier, if that was possible. "Maybe we should try it sometime," I offered.

She reached back and picked up her panties off of the floor. She held them over my face. I could smell the sweet musk of her pussy. She had called my bluff. There was nothing to do but go through with it. So, I stood up and let her help me remove my jeans and briefs.

She sucked on the tip of my dick while she held the panties for me to step into. The tiny bikini panties were a pretty tight fit. The outline of my swollen cock was clearly visible. As she slid her hand up and down my excited cock, the silk against my flesh only added to the sensation.

I wanted it to go on forever, but 30 seconds later, I groaned and released a load of hot cum into the panties. She put her mouth over the head and drank my hot cum as it was filtered through the silk sheath.

She insisted that I wear the panties for the rest of the afternoon. She remained naked. For dessert that night, she served her pussy—hot, wet and ready.

Every month she finds something new that turns her on. Last month she let me fuck her ass. It gets better every month.

Thanks to your magazine, my shy little wife is becoming a steaming sexpot. I find myself counting the days between issues. Keep up the good work.

DO YOU NEED SEX AS MUCH AS THIS?

The thought of not having sex with different men was new to me. Even my husband knew that.

I was bent over the side of my bed as the neighbor, from down the road, pumped his cock hard into my pussy, from behind. It had all started when Jordan had gotten me to drink a whiskey with him as a prelude to an awesome fuck session that commemorated our ten years as lovers. Even though he had been a down-fall in part of my early life, we still had a fairly stable sexual relationship. The buzz came on strong and really revved up my libido that day, so I got a bottle and kept it hidden in one of my closet dresser drawers, right next to a pack of cigarettes that I promised I would not smoke again.

Our neighbor did indeed smoke, but he rarely came to our house, unless he was mowing our yard. Since we had moved into the country, mowing six acres in the summer and plowing a 300 ft long driveway in the winter wasn't something that Jordan had wanted to take upon as a chore, so he had hired a neighbor, that lived two homes down, to do it for us.

Willy made a living and supported his family doing lawn care

and snow removal as seasonal work, so he gave us a great deal, since he lived so close and he took care of our needs year around. At the moment, he was taking care of mine with his long hard cock.

Willy wasn't a guy that I would normally have fucked, even though I had known him for quite a few years. He and his wife were very nice people, but Willy was a hard and rough looking guy, whose sense of humor and personality matched. He had a quirky sense of humor and even though some of his jokes bordered on being sexual and flirtatious, I never once thought about fucking him until today.

I was home alone and when his truck pulled into our driveway with his industrial sized mower, my pussy was already wet. I had been fingering my clit and my swollen lips were tingling for a stiff dick as I sat on my patio in expectation. Willy was surprised to see me when he came around the corner, all sweaty and dirty from the previous four homes that he had mowed, but he seemed just as sur-

prised to see me with my finger in my slippery hole. He wasn't very shy and he immediately made a joke to make me aware that he had just caught me masturbating. I jumped up out of my chair, startled by his presence as I stood there nude in front of him. Being a former stripper, I was hardly worried about him seeing me naked.

"Wow, I was always hoping to run into one of my customers like this," he said with a grin. Sweat covered his brow under the rim of his baseball cap and grime coated his dark suntanned neck and arms telling me that maybe he'd try it out himself. His shirt and jeans were covered in dust and grass, and I'm sure that the heat of the mid day sun had made his day of mowing much harder.

I asked him if he was thirsty and he followed me into the house for some water. We both walked in, something that I had never allowed in my home, but it seemed so natural as I handed him his glass of ice water that I had produced from my refrigerator. I stood there naked as he took a drink. I didn't say anything as

BLAIR-NTS-09

I went down on my knees in front of him and began to unfasten his dirty jeans. He stood there looking down at me as if it was something that occurred regularly.

His cock was stiff as I wrapped my lips around it and it grew more as I began to deep throat his musky pole. He had been out in the sun all morning and afternoon, so his pubic hair was soaked and matted to his body with sweat. His cock had a salty taste as I sucked on it and his hand found the back of my head as I looked up at him as I stroked his cock in my mouth with the other. I leaned back and then told him that maybe we should find a more comfortable place for our fun.

I walked into the bedroom from the bathroom to find him standing nude, his hard pole pointing up at the ceiling above my bed. I walked up to him and he grabbed me by my arms and spun me around, pushing me over onto the edge of the bed. I spread my legs as I bent over the mattress and Willy grabbed my hips as he moved up behind me. He reached down and guided his swollen head to my wet lips, rubbing it on them before he slid it deep into my moist hole in one fell swoop.

I moaned out and then he began to pound me from behind. I was gripping my comforter in my hands as I push back against his quick thrusts and he grabbed a hand full of my hair and pulled my head back, making my back arch as his prick sunk into me over and over again. "I've been wanting to do this for a long time." he said while he pumped me.

"I've never fucked a customer before, but you were definitely on my bucket list." he stated with a laugh and a grunt as I pushed back hard and felt his sweaty balls smack against my ass and thighs.

I was pleasantly surprised as Willy fucked me for the next hour, mounting me on my back and eventually letting me ride him until he filled my hole with a huge gob of spunk. I held my hand under my just fucked pussy as I slid off of his semi-erect organ, catching his jizz before it stained my bed covers. Willy seemed very turned on and surprised when my hand made its way to my mouth and I licked his cum from my fingers. "Damn!" he exclaimed and then I bent over him as he sat on the side of the bed and licked his cock clean.

He began to grow erect again, but I walked away and told him that he was going to have to finish the yard first. He mowed all 6 acres in 45

minutes as I sat naked on my upper deck, above my patio, sipping a drink and lying on a lounge chair still naked. My mind was still buzzing and racing with the thought of my afternoon tryst.

I had lost track of the time and when Willy had climbed the stairs to the deck, I thought nothing of it as he stood next to me and I sat on the lounge chair giving him a blow job. I heard the sliding glass doors from the kitchen slide open and looked over, this time to see my son just back from college watching his mother sucking the neighbor's dick. Willy looked down at me surprised and I jumped up to run nude, into the house

to calm my son's worries. I left him pulling up his pants, as I entered the house, and even though I had more pressing issues to take care of, all I could think of was finishing my session with Willy.

My son's door was closed to his bedroom and I knew that I would have to handle this gently, but instead, I made my way down the hall and out the front door of the house to meet Willy as he was getting into his truck. I was barefoot and nude as I stood by his open door on our asphalt driveway. He seemed to be rather upset and I told him that it would be fine and before he could begin to say anything else, I reached into the top of his pants and grabbed his tool as he sat in his drivers seat.

His truck sat high off the ground and I stepped up onto the running rail of his truck and leaned over, once again pulling him out and taking him into my mouth. He sat there as

I sucked him and my head bobbed up and down in his lap for the next 15 minutes before he filled my mouth with his hot cum.

I swallowed him down and then reassured him that all was well as I made my way back into the house, still naked and now sweating from blowing our neighbor in the opening of his hot truck. All I could think about was having another drink, so I went back to my lounge chair.

I sat there until I heard my son say something next to me. He was staring at me strangely, as if he had never seen me before. My son was 20 and he knew what oral sex was, so I couldn't tell him that what he saw, was something other than what it truly was. My mind was still a little foggy, so I told him that it was best if his father and I discussed it with him privately, later in the evening.

I felt bad knowing that my son had seen me sucking another man's cock, but it was time to let him know about our lifestyle and hope that he understood. I sat and finished my drink in the sun as my son asked a myriad of questions. He had seen me nude before, so I wasn't worried about lying in the sun naked in front of him. I answered as many of his questions as I could and when Jordan came home, I told him what had happened. He was a bit irate, but it was more important to him that we set things straight on the matter of our sexual lifestyle.

That weekend we had a big discussion about what had happened and why. It was a huge question and

ual addiction though and I soon found myself engaging in sex with more men than just my occasional swing club hook up.

Fortunately, as the summer wore on, I fucked Willy a few more times, and eased off my other sexual encounters. While I did not, or rather, could not stop. I think I got it under control by limiting it to one extra tryst a month.

Unfortunately, my husband was not a sexual as I was, and we discussed this many a time. Finally I suggested to try bringing another woman (I had secretly been wanting to fuck a female). He agreed and that

weekend Helena from the swinger's club agreed to come over and play with us.

answer meeting, but it was also a way to show the love we shared and explain the lifestyle we took part in. I wanted my him to be very open minded in his relationships, so we wanted to be as truthful as possible.

When all was said and done, he finally knew the entire truth about my younger years, not in sexually graphic detail, but how I lived my life and why. I explained our open lifestyle and we hoped that he understood. It was a lot of pressure off of us when he finally knew and lucky for us, our well educated and intelligent kid took our news as well as could be expected.

He said he already had suspicions and knew a few details, but now he knew everything and we hoped that any further indiscretions would be understood. Jordan and I privately discussed this, but I told him that it would never get as bad as it had been years ago. The drink had been more than enough to reignite my sex-

Saturday night rolls around and she has come over. We sit around talking and sharing a few drinks. Well, that's all that I needed to get the ball rolling so I stood up, did a strip tease in front of the two of them and pulled Helena up to dance with me. By then she was swaying back and forth on her own. I helped her out of her clothes and pulled her close by her waist. Our lips met and immediately my husband shot up from his chair and stripped.

He joined in for a sloppy three-way kiss and a lot of arm groping. I suggested we all go to the bedroom and I pulled them both down the hallway to the room. Helena was first on the bed, then me and finally Jordan. I got in bed with her and we started kissing. But I need to stop here because what we three did together is too explicit for even your magazine.

A photograph of a woman with long, wavy blonde hair, seen from the back. She is looking over her right shoulder towards the camera. Her mouth is slightly open. The background is dark and out of focus, with some green and blue elements visible on the left side.

TERA ON TOP

Once they decided to stay indoors for date night, Tera knew she could use that to her advantage. After a few rounds of strip poker it was time for the double or nothing. They placed their bet. If she won the round, she got to suck him dry and ride his cock all night. As they showed their hands, she smiled at her boyfriend and told him to drop those drawers.
